2. It was agreed that effective 1 June 1962 personnel assigned to [] who are physically located at 1717 M. Street, N.W. would, after approval of petty cash expenditures by an approving officer in their own component, be paid for such expenditures from the vouchered fund imprest fund maintained by []. In order to process this additional activity it will be necessary for [] to increase his imprest fund from \$50 to \$100.00. Since this imprest fund has already been approved in the amount of \$100 this should be accomplished by requesting the additional \$50 from the Fiscal Division Disbursing Officer. [] would continue to process accountings for his imprest fund in the normal manner.
